

**Success Institute Charter School  
STUDENT ACCEPTABLE USE AGREEMENT**

**(Technology Resources)**

I, \_\_\_\_\_ (student's name) and my parent or guardian, \_\_\_\_\_, agree to all of the following provisions regarding student use of technology resources on/off school premises or at a school-sponsored event.

1. Student use of technology and the Internet on/off school premises or at a school sponsored-event is a privilege that may be taken away at any time.
2. All personal technology resources (this includes, by way of illustration and not limitation, cellular phones and computers) shall be turned off unless their use is authorized by a school employee.
  - a. If the personal technology resource permitted for use is a computer, the student must have a power supply for the computer as well as a carrying case (backpack is permitted).
  - b. All personal computer equipment/supplies must be clearly labeled with the student's name. This includes, by way of illustration and not limitation, the computer, power cord, and backpack/carrying case.
  - c. Personal technology resources shall only be available for use as authorized by a school employee; any unauthorized use may subject the student to discipline, including and up to expulsion.
  - d. While on/off school premises or at a school-sponsored event, students shall use their personal technology resources, in a safe, responsible, and appropriate manner.
  - e. The school is not responsible for any damage to personal technology resources.
3. Students are responsible for all work assigned, even if the technology resource they use is being repaired. The school shall provide resources necessary to complete assignments.
4. Students shall use school technology and the Internet in a safe, responsible, and appropriate manner.
5. Students shall use school and personal technology resources according to the Board Policy. Failure to adhere to these policies may result in discipline including and up to expulsion.
6. Students shall have no expectation of privacy in school or personal technology resources while on/off premises or at a school-sponsored event. Computer files and electronic communications, including email, are not private and may be accessed by the school at any time for the limited purpose of ensuring compliance with Board policies and regulations. This includes computer files and electronic communications which are

accessed using school technology or through the school network but are stored externally.

7. Students shall not install software onto school laptop or desktop computers.
8. Students shall not interfere with, delete, or disable any school-installed program(s) or application(s) on school laptop or desktop computers.
9. Students shall not damage school technology and shall be financially responsible for any repair or replacement required, as determined by the principal or his/her designee.
10. I certify that I have read this agreement and that I understand their meaning and purpose.
