Policy Code: 6340 Transportation Service/Vehicle Contracts

The board may enter into contracts with public or private carriers in accordance with G.S. 115C-253 and any other applicable law. Any contracts also must comply with board policy 6450, Purchase of Services. The use of charter transportation for field trips or other student transportation purposes shall be contracted with companies pre-approved by the school principal or his/her designee. The principal will develop procedures for evaluating and selecting charter transportation companies.

The board may purchase or lease student transportation vehicles in accordance with law and board policy including State Purchasing Requirements for Equipment, Materials and Supplies (policy 6430), Local Purchasing Requirements for Equipment, Materials and Supplies (policy 6440) and Continuing Contracts (policy 6425). Any such vehicle must meet federal safety standards. All titles will be issued to the board of education. Sufficient liability coverage must be maintained in accordance with board policy 8340, Insurance.

The board will consider requests for providing transportation services to a charter school. Such consideration will take into account any factors required by law.
