- The team may also include student representatives to serve in an advisory or non-voting capacity.

Composition of Parent Membership:

The parent membership should reflect the students' racial, geographical, and socioeconomic status in that school. One parent must be the PTA/PTSA President or designee. In addition to the PTA President, Success Institute Charter School will have one parent member from each grade level. Rising 7th and 8th-grade parent members will be elected each spring (during the largest PTA meeting), while the rising K- 6th-grade parent will be selected each fall (during the largest PTA meeting in the fall).

FREQUENCY OF MEETINGS:

Success Institute Charter School will hold meetings on the third Tuesday of each month at 2:00 pm on an as-needed basis as the Principal and SIT Chair decided on. All School Improvement Team meetings are open forums. Anyone may attend.

ELECTION PROCESS:

The election process for selecting members of the School Improvement Team is designed to secure varied points of view by securing the broadest cross-section of the school. In March/April, communication should be forwarded to parents and teachers outlining the duties and responsibilities of the School Improvement Team. In that same communication, it is also recommended that nominations be solicited regarding individuals whom the team or representative group believes would be willing to devote the time, energy, objectivity, and creativity required to fulfill the responsibilities of a team member.

- Staff members: Representatives of assistant principals, instructional personnel, instructional support personnel, and teacher assistants must be elected by their respective groups by secret ballots. After each group has selected its representative, a ballot with all parents and all staff and parents will be notified of the membership of the new School Improvement Team.
- Parent Members: All parent members of the School Improvement Team must be elected by parents of children enrolled in the school by secret ballot (State Statute 115c-105.27). The election should be conducted by the parent and teacher organization in the school or by the largest organization of parents formed for this purpose (voting can occur in the main office, PTA meetings, and concerts). The election should be completed no later than June 1st of each year (Incoming parents will be elected in the fall no later than November 1st of each year.)
- The Principal may appoint members as needed after the School Improvement Team's approval and the largest organization of parents.

TERM OF SERVICE:

Each member shall serve a minimum of one year and two consecutive years. To ensure that there is some consistency of membership from year to year, it is suggested that approximately one-half of the team's composition remain each year, while approximately one-half of the members rotate off the team. Parents will serve a minimum term of one year but can serve a term of two years if elected. Certain members of the School Improvement Team will serve more than two years (Instructional Facilitator, Coordinator, Literacy Coach, Media Specialist, ESL teacher, etc.) [1]

MEETING INFORMATION AND NOTIFICATION PROCEDURES:

All members of a school must be fully aware of the ongoing direction and work of the School Improvement Team. Therefore, Success Institute Charter School

Improvement Team will meet regularly and at a time that ensures parent participation.

Members will be notified of meetings at least a week in advance. Minutes of meetings will be emailed to the SIT team for approval in a timely fashion. Once SIT approves, a copy of the minutes will be housed in the Media Center and posted on the school website. Copies of the approved minutes will be emailed to all SIT members and sent to the school Regional Superintendent and to all staff. The Principal should submit an annual report to the Regional Superintendent dealing with the process of implementing and creating the School Improvement Plan.

- Only elected members of the School Improvement Team may speak. Visiting observers/guests who wish to speak (limited to 2 minutes) should sign up before the start of the meeting with the chairperson. Other observers/guests may be asked to speak (limited to 2 minutes) if agreed upon by consensus of the SICS members present.

SCHOOL IMPROVEMENT DECISION-MAKING PROCESS:

The members of the School Improvement Team should use consensus to making decisions. Consensus will be achieved as people listen, discuss, reflect and respond to each other and their constituent's concerns. A consensus decision is one that every member of the School Improvement Team is willing to support and help implement. On the rare occasion that consensus cannot be reached on a particular issue, the Chair may call a vote on the issue at the following meeting after further research and discussion, consulting the school community, and one more effort at reaching a consensus at the next meeting.

- Staff will be given the opportunity to address any voting concerns to their representative (team leader) before the vote. However, team representatives need to be aware that the vote will reflect the opinion of the majority of their constituents.
- Each representative has one vote as a member of the School Improvement Team.
- Quorum for voting will be 50% plus 1. (i.e., 20 members, need 11 for a formal vote)

DEVELOPMENT OF SCHOOL LEADERSHIP TEAM BY-LAWS:

Every School Improvement Team is expected to develop and adopt by-laws that outline the guidelines for operation. Upon their adoption, the by-laws should be submitted to the Regional Superintendent. In addition, Success Institute Charter School will review its by-laws biennially during its annual retreat. Staff will vote on by-laws by secret ballot, and a quorum will be 50% plus 1. If needed, SICS SIT by-laws may be amended with a quorum during the school year.

SCHOOL IMPROVEMENT TEAM POSITIONS:

As the instructional and organizational leader of the school, the Principal is ultimately responsible for effectively implementing the school improvement process.
